\* The 2009-10 underfunding amounts account for the mid-year withholding of state aid for districts with excess surplus. Not accounted for is the failure to apply the correct state aid growth caps which were reduced from 20% to 10% in below adequacy districts and from 10% to 0% in above adequacy districts. Therefore, the underfunding amounts for some districts are understated.

\*\* The 2012-13 underfunding is an estimate based on the difference between full funding of SFRA in FY12 and the proposed aid to districts in FY13. Actual estimates of full funding of SFRA for FY13 are not available.

\* The 2009-10 underfunding amounts account for the mid-year withholding of state aid for districts with excess surplus. Not accounted for is the failure to apply the correct state aid growth caps which were reduced from 20% to 10% in below adequacy districts and from 10% to 0% in above adequacy districts. Therefore, the underfunding amounts for some districts are understated.

\*\* The 2012-13 underfunding is an estimate based on the difference between full funding of SFRA in FY12 and the proposed aid to districts in FY13. Actual estimates of full funding of SFRA for FY13 are not available.
