Notes:

The 2009-10 underfunding amounts account for both the mid-year withholding of state aid for districts with excess surplus and the adjustment to the state aid growth caps from 20% to 5% in below adequacy districts and from 10% to 0% in above adequacy districts. The growth cap adjustment accounts for \$303 million of the total reduction in FY10.

The 2010-11 underfunding is based on data in the 2010-11 NJDOE State Aid Profiles with an adjustment to account for inflation.

The 2011-12 and 2012-13 full funding estimates are from the Office of Legislative Services' analysis.

The 2013-14 full funding estimates are from the Office of Legislative Services' analysis of the Education Adequacy Report. The figures are estimates only based on data applicable to FY13, not actual data from FY14.
